Silverstein

Losing Days, previously
known as Foxflower is
currently rebranding with
a fresh new sound!

Band Bio

Losing Days is a Central Florida based Post-Hardcore band that draws inspiration from the raw emotion of 2000's Post-Hardcore and Emo, infusing it with a contemporary soundscape. With members hailing from various corners of the country, they unite to revive a familiar sound, adding a fresh twist to the genre. Their dynamic songwriting and impactful lyrics create a compelling musical journey that resonates with fans both craving nostalgia and seeking something new.
